Dear Camp Families:

We hope the month of Adar is bringing you much joy. It is hard to believe that camp is less than four months away. We have over 365 campers registered and an incredible staff hired. As the summer quickly approaches, we hope that you and your children are as excited about camp as we are.

- **NEW medication policy:** In response to feedback from our camp families, we are changing the way we package vitamins and medications. If your child takes any oral vitamins or medications, click [here](#) to see the THREE different options for sending these to camp. Want to just watch the video, click [here](#).
- Do you want to see a parent/guardian handbook, which includes packing lists, gear guides, and transportation information? See **Camp Handbook** in your CampinTouch (*login by visiting ramahoutdoors.org and clicking the green button on the top of the screen*)
- Do you have questions about what to pack? Click here to see the [Packing List](#).
- Do you have questions about flights, buses, and driving? See the **Transportation Quick Facts** in your CampInTouch "Forms and Documents". (*login by visiting ramahoutdoors.org and clicking the green button on the top of the screen*)

MARK YOUR CALENDAR: Pre-Camp Orientation

CAMP UPDATES:

- We have limited space in some camper sessions and word of mouth is our best marketing tool. Do you have friends interested in camp? Please tell them to call or email us for exact availability.

Please feel free to email us with any other questions you might have, and we look forward to seeing your kids up at the ranch in a few short months!
