

YOUR  
**BNEI MITZVAH**  
AT RAMAH IN THE ROCKIES

WE ARE EXCITED THAT YOU WANT TO  
CELEBRATE THIS IMPORTANT MILESTONE IN  
OUR COMMUNITY!

Each Bar/Bat Mitzvah we host is a little different depending on what the child wants to get out of the experience. The spectrum includes children who want to lead all the morning service, read the full torah reading and give a dvar torah to a child who just wants to be called to the torah and recite the blessing when having their first aliyah.

**Like everything in camp, we view bnei mitzvah through the lens of  
“Challenge by Choice.”**

We will work with you and your child to come up with a comfortable, yet **meaningful challenge to make the day memorable and meaningful.**

Rabbi Eliav is happy to meet with you in the off-season to talk more about the ceremony. We are not able to provide a dedicated teacher to work with your child, but are able to refer you folks we know who help prepare students for their bnei mitzvah.

## WHEN?

We can host bnei mitzvah on days when we read publicly from the Torah. These include **Mondays, Thursdays, Rosh Chodesh**. *(Sorry, we are not able to host bnei mitzvah on shabbat).*
